

The Chinese Society for Metals is proud to partner with **GRX26**, taking place 5-7 May 2026 in Perth, Australia - <https://bit.ly/4r92qwu>

GRX26 brings the global resources community together for three days of learning, practical innovation, and high-value networking with mining and METS leaders from around the world.

Designed by industry, for industry, GRX connects you with key decision-makers and offers a prime opportunity for you to position your brand where it matters.
